## Heirloom Tomato Online Plant Release List March 13

We are excited to offer Yew Dell's first Heirloom Tomato Release! Buy now, pick up later! When you finish your order, you will be asked to choose a date and time to pick up your plants in May when the threat of severe cold has passed and it is safe for you to take these plants home with you. We hope you enjoy this new collection! Our last spring plant release in the Online Plant market will be Wednesday, April 3, and include trees, shrubs, and annuals that we currently have growing in the nursery for the spring! Don't forget to come visit us on Opening Day this year, Saturday, March 30. We will have plants for sale including hellebores, spring ephemerals, early-blooming perennials, and select trees and shrubs. See you soon!
